

Graminia Flyover Mar. 2-6

Welcome to the Graminia Flyover, a weekly communication from the school to our community. We hope to provide easier access to important information by sending it directly to your inbox. Why a Flyover? Because we are the Hawks!

Online Registration/Verification for 2020-2021

Every student needs to be re-registered for next school year through the online system. So far, 41% of students have completed this registration, but we need everyone registered by March 20th. This process allows us to determine the eligibility of bus pass applicants, the routing of buses, bus pass production and data verification before the summer break while schools are still operating. Any applications received after the March 20 deadline may not be processed in time for the first day of school.

For more information, including the registration process for new students and a list of important registration dates and deadlines, please visit www.psd70.ab.ca/Registration.php.

Kindergarten Registration

Kindergarten registration for the 2020-2021 school year has begun February 3, 2020. There has been a small change to the age of registration rules. The new age rule is that a child entering Kindergarten must be five years old by the last day of December of the school year in which he or she begins Kindergarten. For example, a child registering for Kindergarten in September 2020 needs to be five years old by December 31, 2020.

Please join us for the Grand Opening of our new rink. The event will run from 11-3 at Graminia School and outdoor rink. The dedication of the rink will begin at 11:30am - we hope you can join us as we honour and celebrate the incredible volunteer and community member that Arnold Semeniuk was and also join us in celebrating the accomplishment of this build which we can credit to our wonderful Graminia community!

Ski Club

All students who are registered for Ski Club must take the bus to the ski hill. With such a large group this year, it is important that we are able to properly supervise the students who are taking part in this activity as a school event. Thank you for your help in making this such a successful year of ski club!

Our last ski club date is Mar. 2

For more information contact the office or Mrs. Sloan.
