

Graminia School Foundation

Who we are, what we do

The Graminia Community School Foundation is a registered society that hosts a variety of fundraising activities throughout the school year. Our efforts help support Graminia School initiatives that enhance the experience for educational learning and student wellness.

The foundation is comprised of an active group of parent

volunteers that seek out and manage fundraising opportunities to contribute to the successes of the school by working closely with the Principal on educational goals, school improvement plans and other education initiatives. The school foundation works to support these programs by funding technology, teaching aids, physical literacy, facility improvements, outdoor maintenance and improvements and cultural events for the school.

The Foundation is an integral part of the school, raising funds that benefit everyone. **In the 2020/2021 school year, the Graminia Foundation was able to gift \$22,403.39 to Graminia School.** This money was spent on COVID resources, audio system repairs and cross country skis to name a few.

Come out to a Meeting

Throughout the year we will share opportunities to help with activities and fundraisers on the Graminia School Council and Foundation Facebook page as well as in the school's Graminia Flyover email. **Our next meeting is Oct 12 at approximately 8pm following the Council meeting.**
