

Graminia Flyover - Nov 26

Welcome to the Graminia Flyover, a weekly communication from the school to our community. We hope to provide easier access to important information by sending it directly to your inbox.

Why a Flyover? Because we are the Hawks!

Report Cards - go live December 3, 2021

Please go to Powerschool Parent Portal on December 3 to review your child's Term 1 report card. Kindergarten students do not receive a Term 1 Report Card but instead have the results from the EYE.

Christmas Concerts: Kindergarten - Gr 6

Please read this very important announcement if your child is in Kindergarten to grade 6, regarding the [Christmas Concerts](#). More details and the link for the live feed will be sent out closer to the date. Lost and Found will be put out during this time prior to the break.

Cold Weather - Dress for the Elements

As I write this, I am looking out onto the white parking lot and remembering the crazy weather this week! Winter is here and so is the need to send winter gear to school. We will continue to go outside more than normal as part of our COVID response, so please send all students with warm jackets, mitts, toques, snow pants and boots. We have noticed that our gr. 7-9 students are not as prepared to be outside as they may need to be. They may have thought they were staying indoors but we will continue to be going outside for recess.

Parking Lot Safety --

A reminder that our parking lot is a one-way street. The entrance is at the South and the exit is at the North. It helps us to keep everything safe when traffic flows in this direction.

Student Drop-off and Pick-up -

In order to ensure the safety of students during pick-up and drop-off we would ask you to follow the following rules:

- If dropping off students in the lane closest to the school, please park in a parking stall following all traffic rules. No dropping off in this lane without correctly parking (no drop and roll).
- If dropping off students in the grass/gravel lane (in front of the totem pole), you may drop students off without parking (drop and roll). This can only happen in this lane, not in the lane closest to the school.
- Please use the crosswalk when crossing the parking lot in front of the front doors.

Thank you for your cooperation. Ms Neumann and Ms Marcinkevics will be out to help!

Update RE: Vaccination Protocol in PSD

Please read the updated Vaccination Protocol in PSD in our [division's news link](#).

Feeling Sick? Here's What to Do - UPDATE

One of the most important things we can do to keep our school safe is to follow the health screening protocols that Alberta Health Services has put in place. Please remember to complete the [AHS daily checklist](#) for your child(ren) before coming to school.

If your child has a fever, or cough or shortness of breath or difficulty breathing or loss of smell or taste, your child must isolate at home for a minimum of 10 days from when symptoms started OR receive a negative COVID-19 test and feel better before returning to activities.

If your child has any single symptom (Chills • Sore throat/painful swallowing • Runny nose/congestion • Feeling unwell/fatigued • Nausea, vomiting or diarrhea • Unexplained loss of appetite • Muscle or joint aches • Headache • Pink eye (conjunctivitis)), even just one, please keep your child home for 24 hours and monitor the symptom. If the symptom is still present or worse, or if an additional symptom were to occur, please complete the [AHS online assessment](#) and follow the directions. Please only send your child back to school when feeling better, and symptom free.

When calling the office or leaving a message, please let us know what the illness is, and if there is any follow up that we should be aware of. (ex. Sore throat, isolating and COVID-19 test on Monday)
