Welcome to the Graminia Flyover, a weekly communication from the school to our community. We hope to provide easier access to important information by sending it directly to your inbox.

Why a Flyover? Because we are the Hawks!

Winter Concerts: Kindergarten - Gr 6 -- UPDATE

Thank you and Congratulations to all of our students for the amazing performances. Please click [this link](#) to view all the concerts. We would like to thank our teachers for the hard work it takes in getting rehearsed and ready for these great performances.

An additional - HUGE - thank you to our four wonderful Masters of Ceremonies - Sahara Boonstra, Brooklynne Bondy, David King, Logan Neumann!! THANK YOU :)

Junior High Band Winter Concert - Tuesday December 21, 2021

Please read this very important announcement if your child is in Junior High Band, [click here](#). Mr West has sent home your child's two coloured visitors check lists that will be used as the tickets to enter the concert. There will NOT be a live feed - but a recording of the performance will be shared out that day to all families. Lost and Found will be put out during this time prior to the break.

As this is our first event with spectators, we are excited and a little nervous in rolling out the protocol. The concert will follow the [PSD vaccination protocol](#) and [PSD visitor protocols](#) - the spectators (+18) must have the [QR code](#) for proof of vaccination or other requirements as outlined in [PSD vaccination protocol](#), must follow the [PSD mask protocol for visitors](#) and must complete the visitor health check list. If these protocols are not followed, spectators will not be allowed to participate in the event. We thank everyone in advance for following the requirements and for patience as we navigate this new process.

Week of December 20th-23rd: Pajama Week! Encouraged to wear pajamas all week and attend the Polar Express in the library too!

Individual Education Plans (IEPs) - Digital Parent Sign Off

For parents of students with IEPs, we are having some very inconvenient technical difficulties with the digital IEP's. Please anticipate a paper copy of the IEP to be sent home today or early next week. After reading through the updates, please email your child's homeroom teacher your consent and they will sign off through the digital system for you. Thank you for your patience while we work through this new technology.

Masks -

Please make sure if your child is in gr 4-9 that they have at least one if not two masks with them at school. Recently we have been going through many of our disposable masks and would be appreciative if more were sent with students each day.

Cold Weather - Dress for the Elements

As I write this, I am looking out onto the white parking lot and remembering the crazy weather this week! Winter is here and so is the need to send winter gear to school. We will continue to go outside more than normal as part of our COVID response, so please send all students with warm jackets, mitts, toques, snow pants and boots. We have noticed that our gr. 7-9 students are not as prepared to be outside as they may need to be. They may have thought they were staying indoors but we will continue to be going outside for recess.

Feeling Sick? Here's What to Do - UPDATE

One of the most important things we can do to keep our school safe is to follow the health screening protocols that Alberta Health Services has put in place. Please remember to complete the [AHS daily checklist](#) for your child(ren) before coming to school.

If your child has a fever, or cough or shortness of breath or difficulty breathing or loss of smell or taste, your child must isolate at home for a minimum of 10 days from when symptoms started OR receive a negative COVID-19 test and feel better before returning to activities.

If your child has any single symptom (Chills • Sore throat/painful swallowing • Runny nose/congestion • Feeling unwell/fatigued • Nausea, vomiting or diarrhea • Unexplained loss of appetite • Muscle or joint aches • Headache • Pink eye (conjunctivitis)), even just one, please keep your child home for 24 hours and monitor the symptom. If the symptom is still present or worse, or if an additional symptom were to occur, please complete the [AHS online assessment](#) and follow the directions. Please only send your child back to school when feeling better, and symptom free.

When calling the office or leaving a message, please let us know what the illness is, and if there is any follow up that we should be aware of. (ex. Sore throat, isolating and COVID-19 test on Monday)

2021/2022 Hot Lunch Program:

We will be offering hot lunch on the last day of school each week, with food being provided by local vendors. We strive to offer a variety of options and try to offer gluten free and vegetarian

options when available by our vendors. For any dietary questions, please contact the vendor directly.

Cancellations & Refunds & Transfers

Unfortunately, your volunteers will not be able to handle any refunds or cancellations. If your child is absent, we will accept a transfer request to another student by 10:00am on hot lunch day by email to: graminiaparentcommunity@gmail.com.

Please do not call the office.

Please be patient as your hot lunch volunteers work out any kinks. Our goal is to run a program with a variety of appealing options for the kids that will also generate funds for the school. If you have any questions or would like to volunteer for the hot lunch program please email us at: graminiaparentcommunity@gmail.com.

Orders for Friday, January 14 will open on Dec 18

Hot Lunch Donation Feature

We have added a new feature to our hot lunch ordering page. You will now see an option to make a donation that will be used to help provide a hot meal to a child in need at our school. Please note that any extra funds left at the end of the school year will be used to purchase other items for the school from the Principals spending list.
