

## COMPLEMENTARY COURSE INFORMATION 2023-2024

Dear Parents of Junior High Students of Graminia,

We are excited to share with you information regarding your child's complementary course information that you selected through our google form. We do our best to align or choose one of the top three choices that a student and their family selected. Our full year course fees for Band and French as a Second Language are paid in September and changing from these courses is not supported throughout the year. All other courses will have a due date below for fee due dates.

Please reach out to your child's teacher if you have any questions. Changes need to be made prior to the third class and must be in writing, signed by parents. Forms are available in the office.

**Teacher Name:** Sidney Lewis

**Course Name :** STEM

**Course Description :** Through STEM students will learn to research and solve real-world problems in innovative ways, and gain a deeper understanding of each of the STEM fields and how they work together. This will include smaller projects to practice applying skills and knowledge to meet certain criteria. Students will also create a larger group project of their choice for a Science Fair that will be viewed by other students and parents.

**Final Course Project or Presentation :** Science Fair Project

**Evaluation / Assessment Structure :** 1. Minor Projects at the beginning of the option to learn and practice skills.

2. Checkins with teacher on the progress of their science project. This includes planning, process, testing, final checkover.

3. Self Assessment on Project.

4. Presentation of project at Science Fair (explanation of process and findings...)

**Course Cost :** 10

**Due date for fees :** 2024-04-26
