Dear Parents of Junior High Students of Graminia,

We are excited to share with you information regarding your child's complementary course information that you selected through our google form. We do our best to align or choose one of the top three choices that a student and their family selected. Our full year course fees for Band and French as a Second Language are paid in September and changing from these courses is not supported throughout the year. All other courses will have a due date below for fee due dates.

Please reach out to your child's teacher if you have any questions. Changes need to be made prior to the third class and must be in writing, signed by parents. Forms are available in the office.

Teacher Name: Mr. Inglehart/Mr. Lygo
Course Name : Building Construction
Course Description : This course is an introduction to working with materials and tools to construct projects. We begin with an overview of safe work procedures and practices and the use of personal protective equipment when working with certain devices. Students will also learn the importance of measurement, in inches and fractional inches, and how to mark to materials accurately for cutting. Students will build their skills in the effective and safe use of different tools and machines as they prepare the pieces that they need to build their projects. As students build their projects they will be expected to develop a sense of care and pride into the construction and appearance of their projects. Each term students will be expected to complete 2 projects that they are assigned.
Final Course Project or Presentation : Completion of two small woodworking projects
Evaluation / Assessment Structure : Students will be evaluated throughout the course in the following areas:
Shop practices and safety
Assembly and use of materials
Presentation of final completed project (student will choose their "best" project for evaluation)
Course Cost : $40
Due date for fees : 2023-09-25
