Complementary Course Information 2023-2024

Dear Parents of Junior High Students of Graminia,

We are excited to share with you information regarding your child's complementary course information that you selected through our google form. We do our best to align or choose one of the top three choices that a student and their family selected. Our full year course fees for Band and French as a Second Language are paid in September and changing from these courses is not supported throughout the year. All other courses will have a due date below for fee due dates.

Please reach out to your child's teacher if you have any questions. Changes need to be made prior to the third class and must be in writing, signed by parents. Forms are available in the office.

Teacher Name: Mr. West
Course Name : AI and Machine Learning
Course Description : This unit is a hands-on introduction to developing a machine learning model with tabular data. Students explore how computers learn from data to make decisions, then develop machine learning projects around real-world data. The unit culminates in designing a machine learning app to solve a personally relevant problem.
Final Course Project or Presentation : Design a machine learning app to solve a personally relevant problem.
Evaluation / Assessment Structure : Quizzes 40%, Performance Tasks 40%, Final Project 20%
Course Cost : 0
Due date for fees :
