

## COMPLEMENTARY COURSE INFORMATION 2023-2024

Dear Parents of Junior High Students of Graminia,

We are excited to share with you information regarding your child's complementary course information that you selected through our google form. We do our best to align or choose one of the top three choices that a student and their family selected. Our full year course fees for Band and French as a Second Language are paid in September and changing from these courses is not supported throughout the year. All other courses will have a due date below for fee due dates.

Please reach out to your child's teacher if you have any questions. Changes need to be made prior to the third class and must be in writing, signed by parents. Forms are available in the office.

**Teacher Name:** Sidney Lewis

**Course Name :** Leadership in Invasion Games

**Course Description :** This course offers a variety of competitive and recreational activities to that are considered invasion games; this could include but is not limited to Capture the Flag, Basketball, Team Handball, Ultimate Games, and Rugby. The students will focus on invasion games that allow a variety of movements into another team's territory in an attempt to "steal" objects and return to their own territory without being captured or score points in their opponent's end. Invading players must decide on strategies that will enhance their ability to do this. To prevent teams from capturing their objects or score points, decisions about guarding are important. Chasing, fleeing, and dodging are skills utilized in these games. Offensive and defensive strategies will be highlighted in all game situations. Students will learn about how to work as a team to achieve goals and focus on leadership within these activities. Emphasis is on improving their skills, learning the rules of the game (physical literacy), and strategizing all while working on interpersonal relationships in a cooperative environment. In addition to the gameplay activities, students will also be asked to develop skills in refereeing and teaching one or more of the activities. Students will be assessed primarily on their leadership within the class displayed while refereeing activities and coaching their peers and younger students on how to play the games.

**Final Course Project or Presentation :** Teaching an activities to their peers or younger students. Students will hand in a lesson plan and teach the activity to their chosen group.

**Evaluation / Assessment Structure :** 1. Skills and Knowledge in learning activities. Can they demonstrate an understanding of the sport while playing?

2. Do they understand the rules and strategies to referee at least one of the activities (basketball) during in class games with minimal reminders of calls.
