

COMPLEMENTARY COURSE INFORMATION 2023-2024

Dear Parents of Junior High Students of Graminia,

We are excited to share with you information regarding your child's complementary course information that you selected through our google form. We do our best to align or choose one of the top three choices that a student and their family selected. Our full year course fees for Band and French as a Second Language are paid in September and changing from these courses is not supported throughout the year. All other courses will have a due date below for fee due dates.

Please reach out to your child's teacher if you have any questions. Changes need to be made prior to the third class and must be in writing, signed by parents. Forms are available in the office.

Teacher Name: Mr. Lygo

Course Name : CO2 Dragsters

Course Description : An old classic returns. Over the course of the term, students will be designing, building, testing, and then racing CO2 powered basswood race cars. They will be learning the appropriate use of hand tools and how to apply a finish, proper workshop safety, and design considerations for aerodynamics and aesthetics. Students will also be expected to demonstrate effective project management and drafting skills while designing their projects. Each member of the class will be provided with materials for two car designs.

Final Course Project or Presentation : Two unique model dragsters constructed from basswood

Evaluation / Assessment Structure : Over the course of the term, students will be assessed on their shop habits & safety, planning skills, and the quality/presentation of their finished cars.

Course Cost : \$25

Due date for fees :
