

POWERSCHOOL

"THE HOW TO ...

CREATE AN ACCOUNT -

- Before you begin you will need:
 - Access ID
 - Access Password
- If you do not have these - call the school and the secretary can give you this
- If you have already created an account -
 - you will need to know the email address
 - The password you created
- If you do not know your password - call the secretaries can reset your account
 - You will still need to know how to access the email account you used to get the password recovery

SIGN INTO POWERSCHOOL

- It is always best to use a web browser and enter the website and to not use the app
 - Why not the app?
 - You cannot access the report card
 - You cannot access the payment system
 - You cannot register / verify your registration

DESKTOP TUTORIAL

- Left hand side is your quick links where you will find:
 - Grade information
 - Comments
 - Schedule
 - Attendance
 - Report Cards
 - [Rycor Fee payment](#)
